Will do. Sandee, when this disk from USEPA comes in via courier, please let Mr. Albright know we've received it.

Thanks.

Hi Bruce, if you could confirm receipt of the disk today, that would be helpful. Thanks, David

Subject: Documents released per FOIA request

Hi Steve/Bruce: I wanted to let you know that we are releasing numerous documents in response to a FOIA request from Stoel Rives. The request sought:  
"Records related to reinjection of produced oil field water in the Santa Margarita zone in the Kern Front oil field and in the Tulare zone in the Elk Hills oil field, between January 1, 1982 and December 31, 1987."

We want to be sure that you have copies of everything we are releasing to the requestor, so we are overnighting a disk with all the files to Bruce. I expect the documents will be uploaded and made available to the FOIA requestor tomorrow.

Let me know if you have any questions about this.

Thanks,  
David
